ROCKHILL CHILDREN (*sponsored through 50 Jewels Education Program*)

The children and parents of Rockhill who received the rice wish to express their thanks and appreciation to you and any other person(s) who may have one way or the other contributed to making the funds available. That was one of the best Christmas gift they ever received because, it came when they never expected it. The parents danced and shower God's blessing on us and you.

Rev. Jarpah told them that someone far away was thinking about them and that was her way of identifying with them during this Christmas. I (Horace) told them to be obedient to their parents and always go to school to be someone better in the future. I spoke to them from Eph. 6:1 - 6

Thanks for your concern
 God bless you
 Merry Christmas & Happy New year

Bro. Horace & Gibbah
